- B. Evergreen Event Center (604):** Corner of "L" – approx. 33,600 square feet.
- C. 4-H Building (501):** Leg of "L" – approx. 15,000 square feet. Will host all clinics, and any 1-day vendor tables.

We look forward to your participation in this year's show! A copy of the reservation form is attached.

We expect very high demand for tables in 2026 and the show is at capacity. Don't miss out, please submit your reservation requests as early as possible! Your mailed or e-mailed reservation form is all that's needed to request tables for the show. Payment to confirm your reservation is expected no later than January 10th, 2026 but is greatly appreciated at the time the form is mailed. Please note that we cannot accept post-dated checks.

All tables are sized 8-ft. long by 30-inches wide. Tables in the Event Center and Pavilion buildings are required to be staffed for both show days; a limited number of one-day tables will be available in the 4-H building. It is anticipated that we will have similar floor plans to last year, but as different layouts and vendors make different requests, we will make the adjustments to best fit the needs of the show. As always if we run into a problem, we will contact you and discuss the situation. Please note that wall space is very limited.

Please email tables4unw.trainshow@gmail.com (preferred) with registration request forms and questions. Confirmations will be sent out starting around January 25th to those with confirmed and **paid** registrations. Additional information about the show can be found at: www.unwclub.com/unwshow.html or www.facebook.com/unwclub

Payments: Please make checks out to UNW and mail forms to:

***Don't delay and be left out of this long-running, exciting, and well attended show!!
We are looking forward to another successful year!!***

For those of you planning on attending, here is additional information:

- Setup for the show is open to Vendors on Friday from **11:00 AM** to 7:00 PM; Saturday from 6:30 AM to 9:30 AM; Sunday 07:30 to 9:30 AM PLEASE BE SETUP BEFORE SHOW OPENS TO THE PUBLIC AT 10:00 AM. We regret that we will not be able to allow vendors into the buildings before 11:30 AM on Friday. As in previous years layouts will start load-in at 10:00 AM and we need a brief period to set remaining vendor tables that impede clear passage. This greatly reduces the chance of damage to vendor merchandise and layout equipment.
- Vendors are responsible for Washington State sales tax. For vendors who have paid \$200 or more for table/booth rental, you may be asked to produce your tax ID number should a representative from the WA Department of Revenue attend during the show.
- On Saturday night, we typically have arrangements with Alf's Pizza in Monroe. We reserve the large party room and they offer 30% off on all pizza orders (does not include salads, drinks, or other entrees). Details of the arrangements with Alf's for the 2024 show will be included in your show confirmation.
- We will work to negotiate discounted rates at the two larger local hotels. Please reference our show website after October to see which hotels we are aware will be offering discounts for the 2024 show.
- RV's spaces are available from the Fairgrounds and must be arranged through them directly in advance of the show. Hookup and non-hookup sites are available. Rates for 2024 are to be confirmed but will communicate the reservation process once known.
- There is space allocated for trailer parking away from the buildings during the duration of the show. No vehicles are permitted to be parked alongside any of the buildings due to fire lane designations.
- Canadian Vendors: Please be sure to remit payments in US Funds. Personal Checks should be adjusted to current exchange rate, however a Bank Counter Check or Money Order specified in "US DOLLARS" is also acceptable. Thank You!

Exhibitor / Vendor Display Policies

1. Authorized representatives must staff vendor/exhibit tables during all show hours, set-up and tear-down. A non-staffed display is totally at the risk of the exhibitor.
2. Show name badges must always be worn by vendor/exhibitor staff. For pre-printed name badges, please submit additional names with your reservation. You are allowed 3 names for each initial table reservation, plus one additional name for each additional table. 3. Exhibits may not exceed the table area reserved by the exhibitor. Vendors using their own display equipment must set it up within the same area as their table space. Vendors may not extend their table frontage with their own personal tables or displays. Please contact us if you have any questions or concerns or require special arrangements.
4. No exhibit may interfere with or block a neighboring exhibit. Display material should not exceed 3 feet above the tabletop height without concurrence from the show committee due to tip-over concerns.
5. No display materials, cartons, chairs, tables, shall be permitted in aisle space in accordance with fire access safety rules.
6. We recommend that vendors bring opaque drape cloths to cover their merchandise if they will not be present during the entire time that the building is open.
